Re: National Center of Excellence Residential Camp Selection

We are delighted to inform you that your child has been selected to attend the NCE Residential Camp. This exclusive overnight experience is the pinnacle of NCE domestic programming and only players who have consistently demonstrated high standards within NCE programs have been invited to attend.

The program provides the perfect atmosphere for our most advanced players to elevate their skills at a top-class facility. Our highly qualified, experienced coaching staff will provide 2 sessions of extensive professional technical and tactical development training per day. This will be combined with daily games each evening so players can work on positional, and team play in a competitive environment.

After the camp ends selected players will be invited to participate in the NCE Summer Showcase. This is an elite tournament experience and will comprise of NCE teams created from our best performing players and specially invited international & domestic teams ensuring competition is of the highest standard.

We truly hope that your child will be able to join us and understands that this invitation is a recognition of their hard work within NCE programming and a reflection of their talent level.

As always, if you have any questions whatsoever, please do not hesitate to reach out.

Kind Regards

John Curtis
