Re: Pro Academy Pathway – Brazil Tour 2023

Dear Parent:

I am delighted to announce that in 2023 we will be offering our players the chance to travel to one of the most famous soccer countries in the world. Our tour to Brazil will be for those players who have been identified by our coaching staff as someone who would be a great representative of NCE. Based on their performance and attitude at our events we would like to extend an invitation to your player to travel with the NCE team.

This event has been established to take the best of our 2008 and 2010 boys to play against and train with top professional club's academy programs including some of our international partners.

During our tour we will play and train against top academy programs, attend live professional games, stay in top class hotels and see some of the most famous sights this incredible country has to offer. This promises to be a great event for our players and the opportunity to truly experience a world-famous soccer culture.
