

NCE SOCCER

GOTHIA CUP 2023

Wednesday 12th to Sunday 23rd July
2010, 2009 and 2008 girls

NCE Soccer will be inviting selected players to attend the 2023 Gothia Cup in Sweden to compete in the largest youth soccer event in the world. This amazing tournament provides our best players with an unparalleled international soccer experience, playing games against some of the very best youth teams.

A large group of young women, likely equestrian athletes, are gathered in a stadium. Many are wearing white t-shirts with American flag patterns and blue headbands with white stars. Some have red, white, and blue face paint on their cheeks. They are all smiling and looking towards the camera. The background shows stadium seating filled with other people, and a tall stadium light tower is visible in the distance.

'NCE is committed to providing the best possible development opportunities for our players and we hope that the experience of competing at the international level will provide selected players with the inspiration necessary to greatly accelerate their own development.'

Re: NCE Select Squad Invitation Gothia Cup 2023

DEAR PARENT:

I am delighted to extend the invitation to your daughter to participate in the 2023 edition of the Gothia Cup taking place in Sweden next July. Your daughter has been selected based on her performances in NCE programs and after recommendations and feedback from our coaching staff.

This tournament features some of the top international girls and boys' teams and is widely regarded as the best youth soccer event on the globe. The aim for our teams that attend Gothia Cup is to reach the finals at every age group with the group games being followed by a straight knock out that mirrors the same format as the World Cup.

In 2022 NCE competed across four age categories and finished their group games with a 100% record. After 3 days of intense group games our teams went on to record victories in the knockout stages but ultimately finished just short of the final game. For 2023 we have adapted the tour itinerary to give us what we feel will be the best possible opportunity to compete and have our teams bring home the trophy for every age group!

Players will participate with their team and coaching staff in a training camp atmosphere in the USA before we fly together as a group to Sweden to arrive in good time to prepare for the tournament. Parents and supporters will meet us in Sweden to cheer on our players as we head towards the finals.

Further information on the tour can be found on the following pages including the itinerary, payment schedule, refund policy, group flight details and even travel insurance options. We hope that you, your daughter, and your family will join us on this opportunity of a lifetime.

If you have any questions, please do not hesitate to contact me.

Kind Regards

John Curtis

They work with renowned organizations such as Tourism Cares, the United States Tour Operators Association and are a founding member of the US Travel Insurance Association.

In addition to offering industry leading travel protection plans, they provide administrative services for claims, product design and underwriting, while helping customers with our state-of-the-art claims handling.

They offer policies that include trip cancellation, trip interruption, trip delays and even cancel for any reason. The coverage can include coverage for medical expenses, 24-hour travel assistance services as well as plans for issues with baggage and personal effects.

Please note that other insurance providers are available, and we recommend you review all opportunities but remember to confirm what is specifically included. The cost for coverage can vary based on reasons such as the cost of the trip and the level of coverage for expenses related to trip cancellation, travel delays or interruption, lost, stolen or delayed luggage, medical or dental coverage, emergency services and other expenses.
