16th to 23rd February 2023

Selected 2006 and 2007 **NCE** Boys are invited to travel to England and experience what it takes to become a professional player. This amazing event provides selected players with an unparalleled international soccer experience. The logo consists of the letters 'CO' in a black sans-serif font, followed by three horizontal yellow bars of varying lengths, resembling a stylized 'E' or a flag.A photograph of two young soccer players in action on a grassy field. The player on the left is wearing a white jersey with 'KYOTO' and the number '27' on it, and red shorts with the number '13'. The player on the right is wearing a black USA national team jersey and black shorts. Both players are running towards the right side of the frame. A soccer ball is visible in the bottom right corner. The background is a blurred green field with trees.

“NCE is committed to providing the best possible development opportunities for our players and we hope that the experience of competing at the international level will provide selected players with the inspiration necessary to greatly accelerate their own development.”

Re: Pro Player Pathway – England Tour 2023

Dear Parent:

I am delighted to announce that after the great success of our Pro Player pathway Tour in 2022 we will be opening up the event for selected boys from our NCE programming. Your player has been identified by our coaching staff as someone who would be a great representative of NCE based on their performance and attitude at our events. We would therefore like to extend an invite for them to join our upcoming tour in February 2023.

This event has been established to take the best of our 2006 and 2007 boys to play against and train with top professional club's academy programs including some of our international partners. Our players will get to experience what it is really like to play and train as an elite player within the UK club system and measure themselves against some of the top players across the Northwest of England.

During our tour we will play and train against top academy programs, attend live professional games, visit some of the best-known stadiums in England and stay in top class hotels. This promises to be a great event for our players and the opportunity to truly live the pro player pathway.
