Re NCE College Pathway Invitation

Dear Parent

I am delighted to invite your son/daughter to participate in the National Center of Excellence **College Pathway Program**. This 8 month long college specific program is being offered to select players that we feel have the potential to play at the collegiate level. Your son/daughter has been selected based on his/her performances at previous NCE events.

The **College Pathway Program** will officially begin Sunday, December 1st. The program will consist of a number of different events/activities that help successfully guide selected players through the college recruitment process and expose them to college coaches from across the country. Please refer to additional pages within this document for more information on what the program will consist of.

Registration: As always please login to your NCE Family portal to complete the registration for this program.

We hope that your son/daughter recognizes that this invitation is a recognition of their hard work within our programs and a reflection of their talent level. If you have any questions regarding this opportunity, please do not hesitate to contact me.
