Re: Pro Player Pathway – England Tour 2025

Dear Parent:

I am delighted to announce that after the great success of our Pro Player pathway Tour in 2024 we will be opening up the event for selected boys from our NCE programming. Your player has been identified by our coaching staff as someone who would be a great representative of NCE based on their performance and attitude at our events. We would therefore like to extend an invite for them to join our upcoming tour in February 2025.

This event has been established to take the best of our 2008 and 2009 boys to play against and train with top professional club's academy programs including some of our international partners. Our players will get to experience what it is really like to play and train as an elite player within the UK club system and measure themselves against some of the top players across the Northwest of England.

During our tour we will play and train against top academy programs, attend live professional games, visit some of the best-known stadiums in England and stay in top class hotels. This promises to be a great event for our players and the opportunity to truly live the pro player pathway.

Trip Particulars

Dates: We will depart on Thursday February 13th and return on Thursday February 20th, 2025.

Registration: We will have a total of 20 players on tour who will be supervised by myself and two other members of NCE staff who will remain with the group at all times. Members of NCE staff will be traveling with the group from the US to the UK and on the return flight. In addition to our playing squad, we will be joined by a group of 12 traveling parents and supporters who will stay in the same hotel and join the group for all our events. Our full-time staff will be supplemented by a number of UK based staff who will assist with tour operations and logistics.

A complete and detailed breakdown of the tour schedule can be found in our Tour Invitation package or by visiting the following link <https://ncesoccer.com/international/pro-pathway-tour/boys-info-page/>

If you have any further questions, please feel free to reach out to me directly at my e mail address or by my cell phone number which is listed above.

Sincerely,

John Curtis
